### Topics Required by Section 1003.42(2), F.S.

Each of the following required instructional topics will be taught through core content areas or standalone lessons aligned with Florida state standards and reinforced through interdisciplinary connections:

- **Declaration of Independence & U.S. Constitution:** Grades K–12 through Wonders (K–5), McGraw-Hill U.S. Government & Civics (6–12), and AP courses.
- **Federalist Papers & Republican Government:** Grades 7–12 through Civics360 and U.S. Government curriculum.
- **History of the Holocaust:** Grades K–12 through integrated lessons using Wonders (K–5), Savvas (5–8), McGraw-Hill/AP World History.
- **History of African Americans:** Embedded in Wonders (K–5), McGraw-Hill U.S. History (6–12), and AP U.S. History.
- **History of Asian Americans and Pacific Islanders:** Integrated throughout K–12 social studies curriculum using McGraw-Hill and supplemental resources.
- **Florida History & Civics:** Focused in upper elementary social studies and reinforced in Grade 7 Civics using Civics360 (Florida Transformative Education / Lou Frey Institute).
- **Effects of Substances on the Body:** Delivered through health/PE courses using *The Facts. Your Future.* initiative, SPARK PE, and Red Ribbon Week activities.
- **Civic & Character Education:** Delivered through ELA and social studies classes using Satchel Pulse, and Civics Literacy Excellence Initiative (CLEI) K–12 curriculum, and Civics360 (Florida Transformative Education / Lou Frey Institute).
- **Veterans & Medal of Honor Instruction:** Embedded in Veterans Day lessons and social studies content via McGraw-Hill and teacher-led enrichment.
- **Kindness to Animals:** Delivered through special programs using Animal Rights Foundation of Florida (ARFF) humane education presentations tailored for K–12 classrooms.
- **Natural Resource Conservation:** Delivered through science courses using Savvas Experience Science (Grades 5–8).
- **Free Enterprise Principles:** Covered in elementary grades using Florida Joint Center for Citizenship (FJCC) and further emphasized in high school through EverFi and Ramsey Solutions (9–12).
- **Women’s & Hispanic Contributions:** highlighted schoolwide through integrated classroom lessons and school-wide activities during Women’s History Month (March) and Hispanic Heritage Month (September 15–October 15) using resources from the Florida Department of Education – Women’s History and Hispanic Heritage Month Portal.
- **Agricultural Education:** Offered through middle and high school agritechnology courses using Cengage Agriscience and Aquaculture materials.

### **ESE & Multilingual Learner Supports**

- **ACCESS Students (K–12):** Receive instruction using Unique Learning System and ESE-adapted materials.
- **ELLs (K–12):** Supported with Lexia English, Wonders ELD, and scaffolds embedded in SAVVAS and i-Ready.

### **Certification & Compliance**

As required by 6A-1.094124 and Section 1003.42, Florida Statutes, the superintendent will submit:

- ☐ Form RI-1 to certify compliance for instruction on the History of the Holocaust and History of African Americans.
- ☐ The complete implementation plan and documentation via <https://districts.flimadoption.org> by the July 1, 2024 deadline.
